Miss Seufert

I would like to ask you for a chronological case summary please, also enclosed with this letter is my rule 7d disclosure statement to The Court. I also recieved a ~~7d~~ notice that The parties need to consent to Jurisdiction, and I would like to give mine, however the notice said that I could only use that document if it is executed by all parties, Can I consent individually? if so how?

Thank you for considering these requests.

Sincerely

- Craig Hendry
